

Internal Revenue Service, Treasury

§ 1.410(a)-9

after December 31, 1984. Thus, for example, assume a plan has a calendar plan year and disregarded years of service as permitted by sections 410(a)(5)(D) and 411(a)(6)(D) as in effect on August 22, 1984. An employee completed two years of service in 1981 and 1982, and then incurred two consecutive 1-year breaks in service in 1983 and 1984. The plans may disregard the prior years of service even though the employee did not incur five consecutive 1-year breaks in service. On the other hand, assume the employee completed three consecutive years of service beginning in 1980, and incurred two 1-year breaks in service in 1983 and 1984. Because, as of December 31, 1984, the years of service credited before 1983 could not be disregarded, whether the plan may subsequently disregard those years of service would be governed by the rules enacted by REA 1984.

[T.D. 8219, 53 FR 31851, Aug. 22, 1988; 53 FR 48534, Dec. 1, 1988]

§ 1.410(a)-8T Year of service; break in service (temporary).

(a)-(b) [Reserved]

(c) *Breaks in service.*

(1) [Reserved]

(2) *Employees under 2-year 100 percent vesting schedule*—(i) *General rule.* In the case of an employee who incurs a 1-year break in service under a plan which provides that after not more than 2 years of service each participant's right to his accrued benefit under the plan is completely nonforfeitable (within the meaning of section 411 and the regulations thereunder) at the time such benefit accrues, the employee's service before the break in service is not required to be taken into account after the break in service in determining the employee's years of service under section 410(a)(1) and § 1.410(a)-3 if such employee has not satisfied such service requirement.

(ii) *Example.* The rules of this subparagraph are illustrated by the following example:

Example. A qualified plan computing service by the actual counting of hours provides full and immediate vesting. The plan can not require as a condition of participation that an employee complete 2 consecutive years of service with the employer because the re-

quirement as to consecutive years is not permitted under section 410(a)(5). However, such a plan can require 2 years without a break in service, i.e., 2 years with no intervening years in which the employee fails to complete more than 500 hours of service. Under a plan containing such a participation requirement, the following example illustrates when employees would become eligible to participate.

Year	Hours of service completed		
	Employee A	Employee B	Employee C
1	1,000	1,000	1,000
2	1,000	700	500
3	1,000	1,000	1,000
4	1,000	1,000	700
5	1,000	1,000	1,000

NOTE: Employee A will have satisfied the plan's service requirement at the end of year 2, Employee B at the end of year 3, and Employee C at the end of year 5.

(3) *One-year break in service*—

(i) [Reserved]

(ii) *Examples.* The rules provided by this subparagraph are illustrated by the following examples:

Example (1). Employee A completes a year of service under a plan computing service by the actual counting of hours for the 12-month period ending December 31, 1989, and incurs a 1-year break in service for the 12-month period ending December 31, 1990. The plan does not contain the provisions permitted by section 410(a)(5)(B) (relating to 2-year 100 percent vesting) and section 410(a)(5)(D) (relating to nonvested participants). Thereafter, he does not complete a year of service. As of January 1, 1991, in computing his period of service under the plan his service prior to December 31, 1990, is not required to be taken into account for purposes of section 410(a)(1) and § 1.410(a)-3.

[T.D. 8170, 53 FR 239, Jan. 6, 1988]

§ 1.410(a)-9 Maternity and paternity absence.

(a) *Elapsed time*—(1) *Rule.* For purposes of applying the rules of § 1.410(a)-7 (relating to the elapsed time method of crediting service) to absences described in sections 410(a)(5)(E) and 411(a)(6)(E) (relating to maternity or paternity absence), the severance from service date of an employee who is absent from service beyond the first anniversary of the first day of absence by reason of a maternity or paternity absence described in section 410(a)(5)(E)(i)

§ 1.410(a)-9T

or 411(a)(6)(E)(i) is the second anniversary of the first day of such absence. The period between the first and second anniversaries of the first day of absence from work is neither a period of service nor a period of severance. This rule applies to maternity and paternity absences beginning on or after the first day of the first plan year in which the plan is required to credit service under sections 410(a)(5)(E) and 411(a)(6)(E).

(2) *Example.* The rules of this section are illustrated by the following example:

Assume an individual works until June 30, 1986; is first absent from employment on July 1, 1986, on account of maternity or paternity absence; and on July 1, 1989, performs an hour of service. The period of service must include the period from employment commencement date until June 30, 1987 (one year after the date of separation for any reason other than a quit, discharge, retirement, or death). The period from July 1, 1987, to June 30, 1988, is neither a period of service nor a period of severance. The period of severance would be from July 1, 1988, to June 30, 1989.

(b) *Other methods.* This paragraph provides a safe harbor for plans that compute years of service under the hours of service methods or permitted equivalencies. Such a plan will be treated as satisfying the requirements of sections 410(a)(5)(E) and 411(a)(6)(E) if the plan increases the minimum period of consecutive 1-year breaks required to disregard any service (or deprive any employee of any right) by one. Thus, a plan will satisfy sections 410(a)(5)(E) and 411(a)(6)(E) without having to compute service for maternity or paternity and sections 410(a)(5)(D) and 411(a)(4)(D) and (a)(6)(C), by increasing the period of consecutive breaks-in-service from 5 to 6.

[T.D. 8219, 53 FR 31852, Aug. 22, 1988; 53 FR 48534, Dec. 1, 1988]

§ 1.410(a)-9T Elapsed time (temporary).

(a)-(b) [Reserved]

(c) *Eligibility to participate.*

(1) [Reserved]

(2) *Determination of one-year period of service.*

(i) [Reserved]

26 CFR Ch. I (4-1-03 Edition)

(ii) For purposes of section 410(a)(1)(B)(i), a “2-year period of service” shall be deemed to be “2 years of service.”

(d) *Vesting*—(1) *General rule.*

(i)-(iii) [Reserved]

(iv) For purposes of determining an employee’s nonforfeitable percentage of accrued benefits derived from employer contributions, a plan, after calculating an employee’s period of service in the manner prescribed in this paragraph, may disregard any remaining less than whole year, 12-month or 365-day period of service. Thus, for example, if a plan provides for the statutory three to seven year graded vesting, an employee with a period (or periods) of service which yields 3 whole year periods of service and an additional 321-day period of service is twenty percent vested in his or her employer-derived accrued benefits (based solely on the 3 whole year periods of service).

§ 1.410(b)-0 Table of contents.

This section contains a listing of the major headings of §§ 1.410(b)-1 through 1.410(b)-10.

§ 1.410(b)-1 *Minimum coverage requirements (before 1994).*

(a) In general.

(b) Coverage tests.

(1) Percentage test.

(2) Classification test.

(c) Exclusion of certain employees.

(1) Bargaining unit.

(2) Air pilots.

(3) Nonresident aliens.

(d) Special rules.

(1) Highly compensated.

(2) Discrimination.

(3) Multiple plans.

(4) Profit-sharing plans.

(5) Certain classifications.

(6) Integration with Social Security Act.

(7) Different age and service requirements.

(i) Application.

(ii) General rule.

(8) Certain controlled groups.

(9) Transitional rule.

(e) Example.

§ 1.410(b)-2 *Minimum coverage requirements (after 1993).*

(a) In general.

(b) Requirements with respect to employees.

(1) In general.

(2) Ratio percentage test.
